Acknowledgments

Portions of the "Textual" application may utilize the following copyrighted material, the use of which is hereby acknowledged.

_____

- Application icon created by and Copyright © 2010, 2011 Mandy Wiltse.

- The icon used in the preferences window of Textual for the "Alerts" section of the toolbar is Copyright © 2004 – 2010 Growl Team.

- Other icons including the ones used for the "Style" and "Interface" sections of the preferences window were obtained from and/or are modified versions of those found in other applications distributed by Apple, Inc. These icons are therefore copyright to Apple, Inc.

- Several default themes including "Simplified Light" and "Simplified Dark" are based off the original work of "Cowboy" Ben Alman. All other themes are copyright to their respective creators as noted in the source code.

- Textual is based off of the open source project "Limechat" — All material originating from this project is Copyright © 2008 – 2010 Satoshi Nakagawa.

- Channel list status indicator image files were created by and are Copyright © 2000 – 2012 the Colloquy IRC Client

- All other content is Copyright © 2010, 2011, 2012 Codeux Software and respective contributors.
